

CG-147-G & -P Gaskets

Due to the increased thickness of these gaskets, it may be necessary to switch out the shorter S.S. screw for the longer 100mm screw to ensure proper fit. Each gasket is supplied with one screw and additional screws can be purchased using part number CG-147-G-100.

CG-147-G
Envelope Style, PTFE,
Silicone Core

CG-147-P
Perfluoro/Silicone
