

# TRADE-IN program

## Large Capacity, Stackable, Incubator Shakers

Up To  
**\$9000**  
in allowances\*

Stack Up To  
**3 Units**

### Large Capacity Chamber (190L Volume)

*Holds up to six, 5L Erlenmeyer shaker flasks*

\* See requirements on the back of this flyer.

### Choose from CO2 and Non-CO2 Models

### Convenient, Pre-Installed, Pull Out Rail Platform

*Single, centrally-located locking handle*

### Active Humidity Control on CO2 Models

### Excellent Temperature Control Performance

*At a stable temperature of 37 °C, the uniformity is ± 0.2 °C*

### Chamber Cooling Capacity to 20°C Below Ambient

*Lowest temp is 4 °C*

### Energy-Saving Inverter Compressor

*Makes cooling noiseless, durable, and highly efficient*

### Space-Saving Design - Three Units Can Be Stacked

### Bi-Directional UV Light Sterilization

*Two sets of components reach all areas of the chamber*

### High Resolution 7-inch Color Capacitive Touch Screen

*Clear, concise instrument status and functions*

*Responsive and durable*

### Ultra-Quiet Design

*Noise level less than 55dB when incubator is running and cooling*

### Slow Acceleration / Deceleration

*Prevents large shear forces on the bacteria or cells*

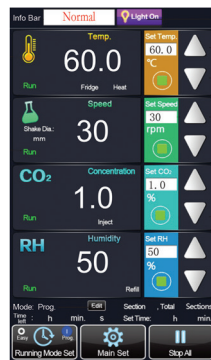

### High Pressure Water Rinse

*Fast & efficient integral drain system for platform and chamber*

### Large Capacity, Stackable Incubator Shakers with Magnetic Drives and Touch Screens

Delivered  
Pre-Stacked

High Resolution  
Touch Screen

# TRADE-IN program Large Capacity, Stackable, Incubator Shakers

Up To  
**\$9000**  
in allowances\*

## \*Large Capacity Incubator Shaker Trade-In Program Restrictions

*The Trade-In Program is valid on purchases of new, Stackable Incubator Shakers with or without CO2 controllers.*

**Large Capacity, Stackable Incubator Shakers with Magnetic Drives and Touch Screens - Qualifying Part Numbers**

Description	Units without CO2 Part No.	Units with CO2 Part No.
Single Unit	CLS-2545-001	CLS-2545-011
Double Units	CLS-2545-002	CLS-2545-012
Triple Units	CLS-2545-003	CLS-2545-013

## \* Large Capacity Incubator Shaker Trade-In Program Restrictions

The Trade-In Program is valid on purchases of new, Stackable Incubator Shakers with or without CO2, Chemglass Life Sciences Part No. Series CLS-2545-001, -002, -003, -011, -012 and -013. Purchases must be made directly through Chemglass Life Sciences.

Trade in your current equivalent Infors HT, Kuhner or Eppendorf incubator shakers with or without CO2 only. **Trade-in incubator shakers must be in working order.** Receive allowances up to \$3000 for a single unit, \$6000 for a double unit and \$9000 for a triple unit purchase.

The value of your trade-in equipment allowance will be determined during the quoting process and will reflect current equipment and market conditions.

Pickup of used equipment is included in this offer if it is cleaned and prepared for shipping the day your new equipment is delivered. Your equipment needs to include completed decontamination forms, be palletized and located on a loading dock. **Additional charges will apply if the trade-in is not ready to ship that day.**

Offer is valid for customers in the contiguous United States only, excluding Alaska, Hawaii and Puerto Rico. Determination of eligibility is at the sole discretion of Chemglass Life Sciences. Offer is not available in Canada.

Chemglass Life Sciences reserves the right to discontinue or modify this promotion at any time. This offer cannot be combined with other discounts or promotions. Offer is non-transferable and void where prohibited, licensed, or restricted by federal, state or local laws or regulation or agency or institutional policy. Offer is not valid through distributors. Other restrictions may apply.

Stack Up To  
**3 Units**

Please contact us for further information.  
**Offer is valid 1/2/24 through 4/30/24.**
